

PROJECT REPORT

I. 1. INTRODUCTION

A. 1. Educonnect language connects, user-friendly English communication enhancement program, has been designed by a team of education researchers from educomp solution ltd

B. 2. for the masses who to fulfill their dream of fluent communication in English .the bilingual approach used in 'educonnect language connects' makes it a self-paced learning program that help learners to relate the known (in their own language) to the unknown (in the English language

II. 2. why is the project unique?

III. 'Educonnect language connects' aims to connect people through language. It was conceived with the idea of creating a produsage that can be anyone anytime at any place to learn English through any language at any pace.

Advantages:

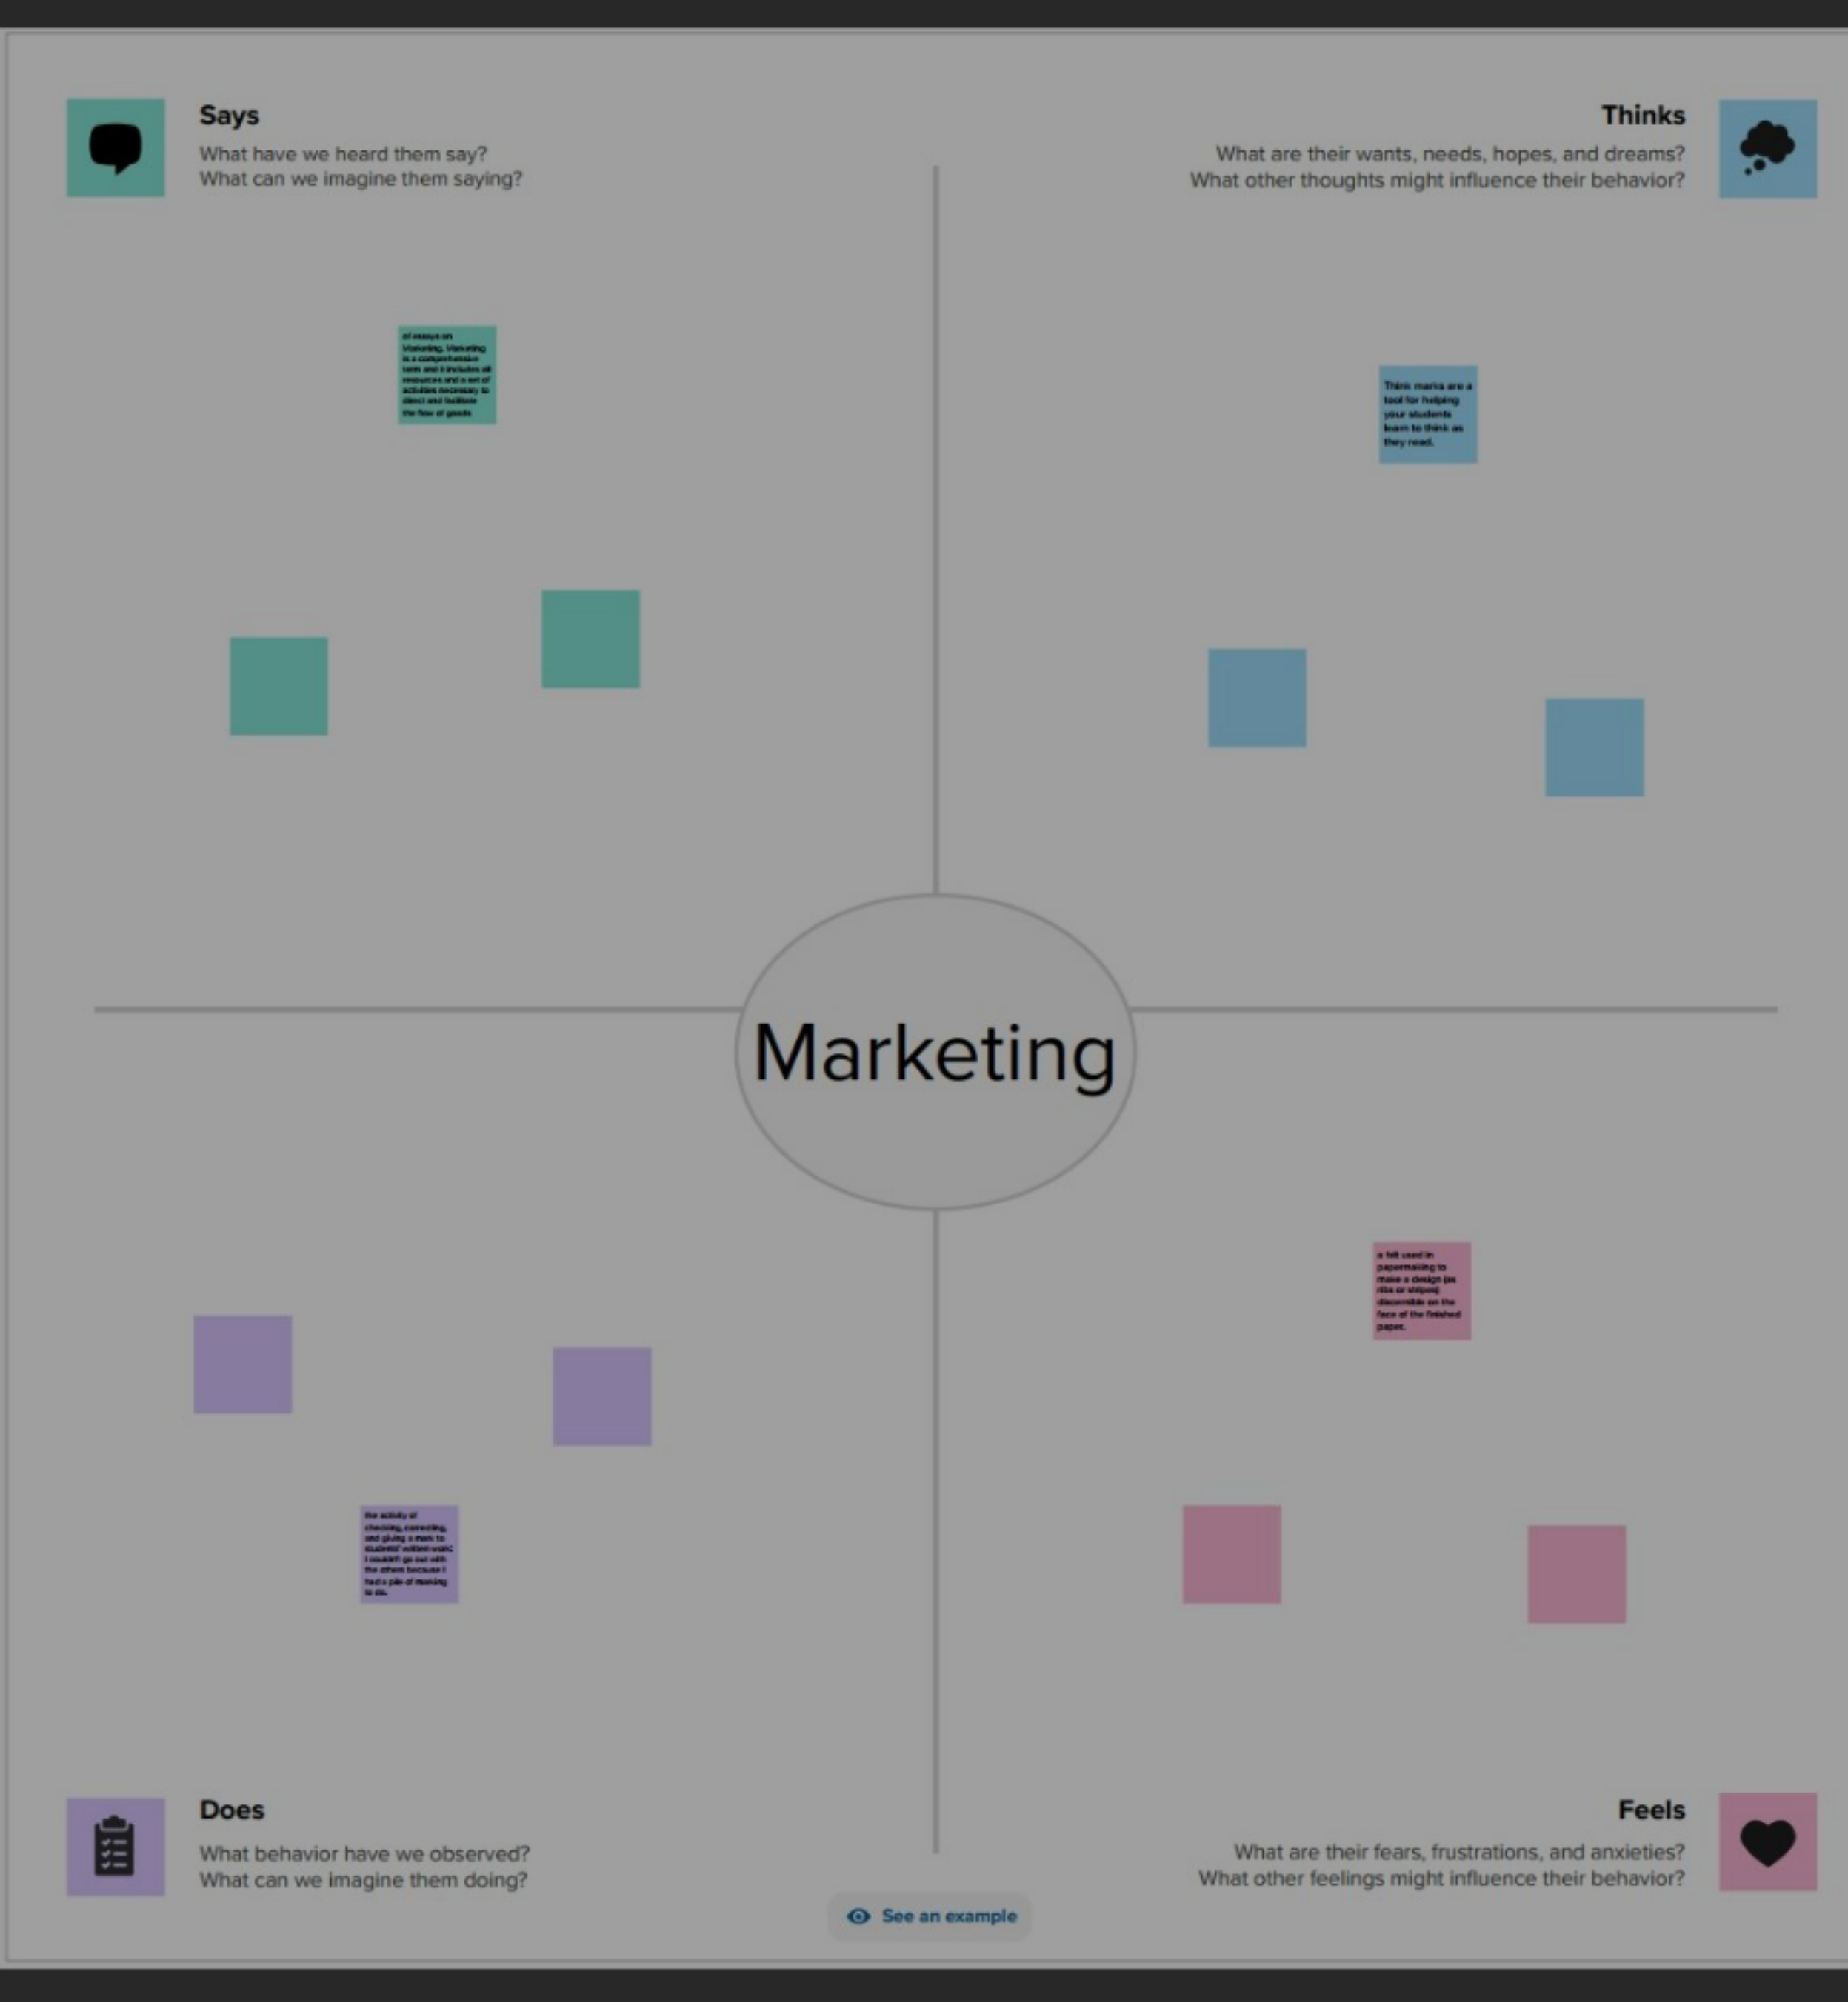

1. efficiency: online learning offers teachers an efficient way to deliver lessons to students. online learning has a number of tools such as videos, PDFs, podcasts, and teachers can use all these tools as part of their lesson plans.

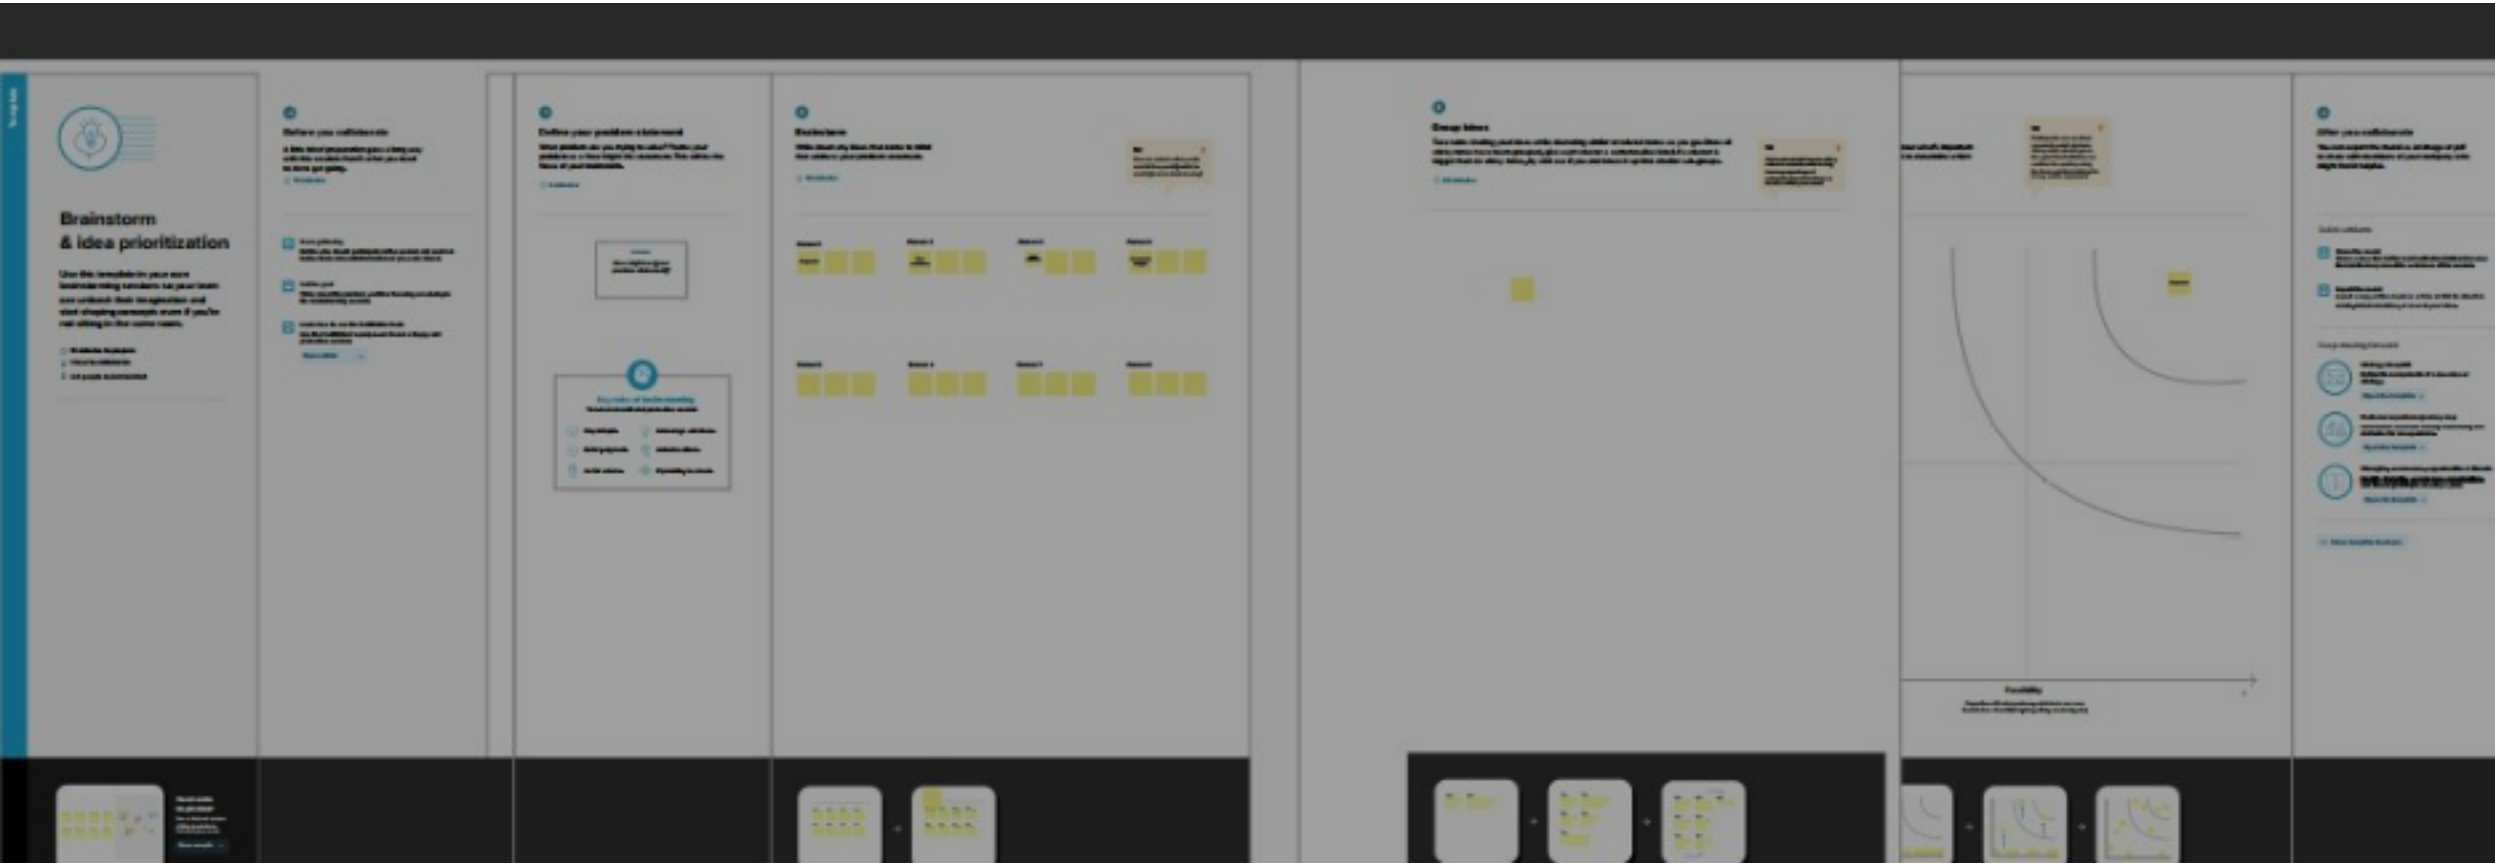

2. Accessibility of time and places: another advantage of online education is that it allows to attend classes from any location of their choice.

Disadvantages:

1. Technology issues: another key challenge of online classes is internet connectivity.

2. Sense of isolation: students can learn a lot from being in the company of their peers.
